76-77 a school year for unity

Nimitz students not only attended classes, but participated in extra-curricular activities sometimes directly involving them in community work. From supervising children's activities to attending many after-school functions. The Vikings worked together to achieve goals while having a good time.

New friends come with a new year

The 1976-77 school year brought many new faces and experiences to Nimitz. From the popularized chant "Go Bananas" to the first successful Admiral's Revue, Nimitz students exhibited great spirit. New faculty members and crazy pep rally antics helped to round out the school year.

Homecoming activities spark enthusiasm

The ''Winter Wonderland'' theme became a reality as an early winter storm brought almost six inches of snow to Irving.

Students began the week by decorating the halls. The freshman hall with the theme ''Vikings Stalk the Pink Panthers'' won first place.

Sophie Montellano, a senior, was selected Homecoming queen. Kim McKenney and Jackie Lamb were queen nominees. Brenda Boccieri, Annette Bilbrey and Cindy Curry were Homecoming princesses.

Although the Vikings lost their Homecoming game to Duncanville, 16-14, over 500 students attended the dance held in the school cafeteria.

Vikings acquire new roles in '76

New and familiar faces took on different looks and students assumed various roles during the year. The senior play, "Don't Drink the Water," saw many who had never been on stage perform for the first time. Also, for the first time, female students took an active part in the ROTC program at Nimitz.

Viking season ends with 2-8 record

The Nimitz Varsity began their season at home against Southwest High School of Fort Worth. The final score was 20-0 in favor of Southwest.

The Vikings moved on to Richardson High where the game was lost, 29-14. On September 18, the Varsity players hosted Adamson High. Spirits weren't dampened by the heavy rain as Nimitz won 13-0. The following week North Mesquite faced Nimitz. The outcome was a Viking loss, 31-20.

The Vikings met Grand Prairie High at the Gopher Bowl, and brought home a victory of 24-7. The struggle with MacArthur was close, with MacArthur winning in the last few minutes, 28-21. R. L. Turner worked the Vikings over for a 21-7 victory.

Nimitz returned home to tackle the Tigers, but were again defeated 14-3. On October 20, the varsity was off again to the Gopher Bowl where the tables turned, with South Grand Prairie on top, 20-13.

The season ended November 13 on a snowy night with the Homecoming game. The Vikings played to the theme of ''Winter Wonderland'' against Duncanville. After a game of close competition, the season closed with a 16-14 Viking loss.

Warren awarded most valuable player

It takes several players working together to make a team. Out of these players, one is chosen each year for his outstanding effort. He is judged on leadership, attitude, ability and achievement. This year's choice was Bret Warren. Junior Varsity clinches district championship

The Junior Varsity kept on trucking through the season to bring home the title of District Champs. The players worked hard to earn the well-deserved title.

Things went well from the start as the Vikings won their first game against Southwest High, 21-0. Throughout the whole season, only two games were lost. The Vikings pulled it together at the end to win five straight games.

The offense was on the move this year as they averaged 21.8 points per game. The defense wouldn't let up as they held the opponents to an average of 9.9 points per game.

Coach Nathan Purvis sums up the 1976-77 season as "the best he has ever had."

Freshmen journey through new threshold

For the newest Viking football team, this year was a journey through a new threshold. High school football was a little different, a lot tougher, yet most rewarding.

The freshmen proudly tied with Irving High School for the city championship.

The two most outstanding games were against Irving and MacArthur. Against MacArthur, the offense performed well. Against Irving, an extremely good defensive game was executed by the freshman team.

After working hard all week, Coach Ladasau and Coach Fikes (right) view the outcome of their labors.

J.V. perfects plays

The Junior Varsity had a triumphant 1976-77 season. The combined record of pre-season and district games was 13 wins and 4 losses. In district competition, twelve games were played, with only one loss. The Junior Varsity team participated in the R.L. Turner Invitational Tournament where they won first place, without losing a single game. The season's outcome brought pride to Coach Grant and victory to Nimitz.

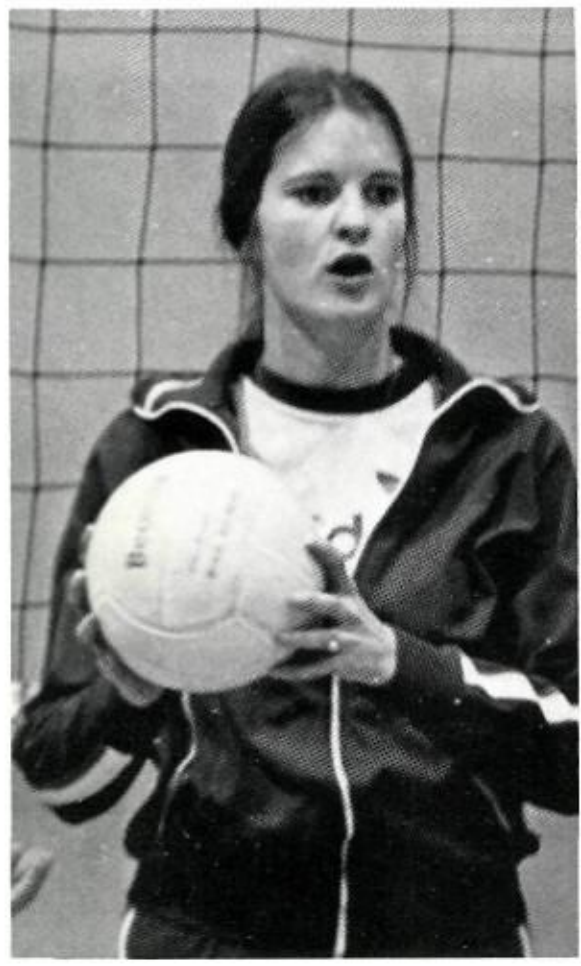
Freshman volleyball foundation for future



The Freshman Volleyball team participated in only four games this year. This gave the girls an opportunity to prepare for interscholastic competition. The team worked to improve their skills which will help them as they advance to the junior varsity team next year. According to Miss Donna Grant, coach, the team excelled in bumping, serving, and worked hard for team unity. With this positive mental attitude and the perfecting of skills, Coach Grant expects to have a good junior squad in the coming year.

Varsity Tennis improves record

The 1976-77 Varsity Tennis Team had the best season in the school's history this year. The team had a new coach, Kay Butler.
Although new to Nimitz, Coach Butler had previous successful years in coaching tennis. She practiced with Nimitz varsity players in daily workouts. Varsity members worked to develop better skills and played in weekly matches. The team looks for even a better record next year.

The Varsity Boys Gymnastics Team traveled to dual and regional meets during the 1976-77 year. The boys competed in six events. These included floor exercises, pommel horse, horizontal bar, volting, parallel bar, and the rings. After district competition was completed, the top two teams were to go to state. The team moved to regionals where they placed second, this qualified the Nimitz gymnasts for state competition. Individual medals were awarded to Anthony Parma, David Burch, and Steve White.

Roundballers improve toward end of season

The 1976-77 Varsity Basketball season ended with a 12 win, 16 loss record. The district play concluded in 4 wins, 8 losses. According to Coach Don Nentwig, the season was not as good as they hoped for. One factor was the loss of two potential starters. Although it took a while for the team to adjust, they began to play well toward the end of the season. The players brought pride to Nimitz in their good effort against such strong competition.

Nimitz Girls Basketball Team participates in first season

The Nimitz Girls Basketball Team had 20 members in its first year. Although they did not participate in University Interscholastic League competition, they did face tough opponents such as the former state champs, Duncanville and the 1976-77 state champions, South Oak Cliff. The season ended with 9 wins and 14 losses. The coach was Ms. Janice Maxwell.

Wrestlers win honors

The Nimitz Varsity Wrestling team placed third in the conference in the 1976-77 year. Three members won conference championship, and qualified for participation in the state meet. Coach Curtis Burch worked with varsity members throughout the season, which concluded with 10 wins and 2 losses. This was a great accomplishment for the wrestling team, which had been a weak sport at Nimitz in the past. With a greater enrollment, the team was divided into varsity and junior varsity squads. The year ended with Nimitz placing seventh in the state.

Young team exhibits ability

The 1976-77 Nimitz Baseball team was a young squad, but as the year progressed they became fundamentally sound. Coach Tom Ladusau was a new face at Nimitz. He came to the team in the middle of last year's season. The team, which primarily consisted of underclassmen, started their workouts in early February with only four players returning from last year. Nimitz participated in 12 non-district games and won 8.

They got off to a slow start in district play, but improved as the season progressed. The year's greatest honor was bringing home a first place trophy won at the Garland Tournament in March.

During a Saturday workout, Coach Tom Ladusau watches the team practice.

Among their activities, they planned and performed at all pep rallies, decorated hall lockers, initiated spirit slogans, judged doors for Spirit Week, and planned parties for athletic participants.

During the summer, they attended Sam Houston College. Junior Class hosts successful events

This has been a year of success for our class. We have grown together, strengthened old friendships, and made new ones. Our exhibition soccer game featuring the Dallas Tornado turned out to be our most successful fund raising project. Our Homecoming hall decorations, having the theme "All Ski Slopes Lead to Nimitz," were the best ever. Already, we have started to plan for our futures. Yet, there is still time for this. Nimitz is our immediate future and we are the future of Nimitz. Next year, we will be the leaders. We are the Junior Class of 1976-1977.

Sophomore spirit key to successful year

Spirit and participation have been the key words describing our class this year. We have been interested in the events of the year and many sophomores have taken an active part. By working together, we received the spirit award at several pep rallies. We have discovered that every person is important in his own way. Each person has something of himself to give. Through this discovery, we have grown close. We are a class of friends. We are the Sophomore Class of 1976-1977.

Freshmen gain insight with new experiences

We were the newcomers to the halls of Nimitz. High school life was our new horizon. We experienced our first high school tests, classes, report cards, elections, pep rallies, activities, and spirit. We had fun and made new friends. While striving together to grow up, we found out what it meant to be a part of a class, both large in number and full of enthusiasm. We are the Freshman Class of 1976-1977.

FACULTY and ADMINISTRATION

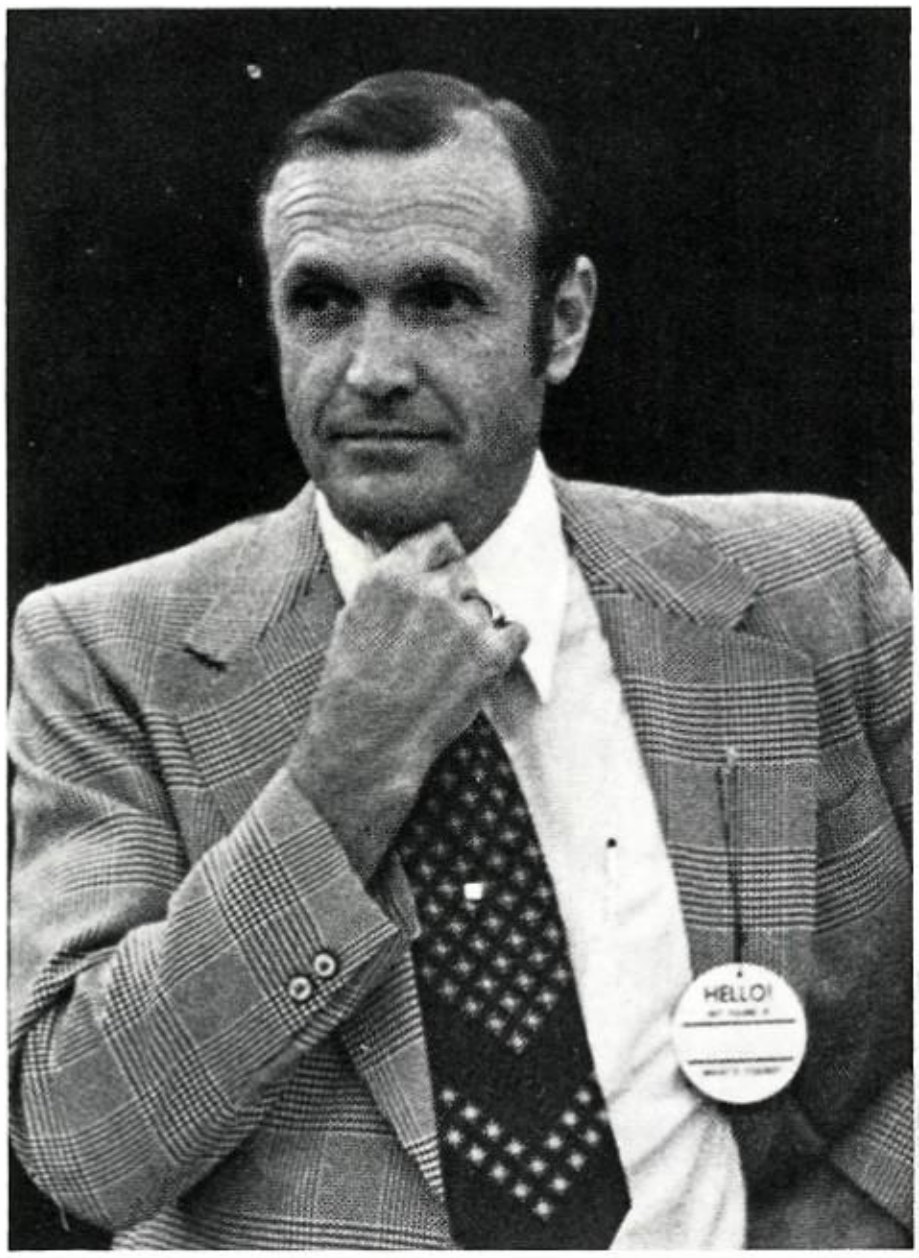
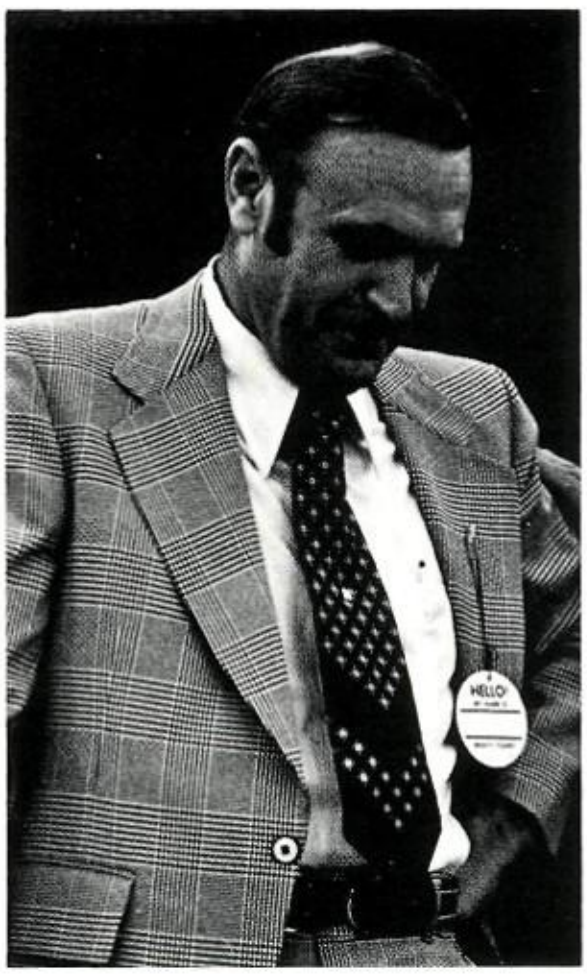
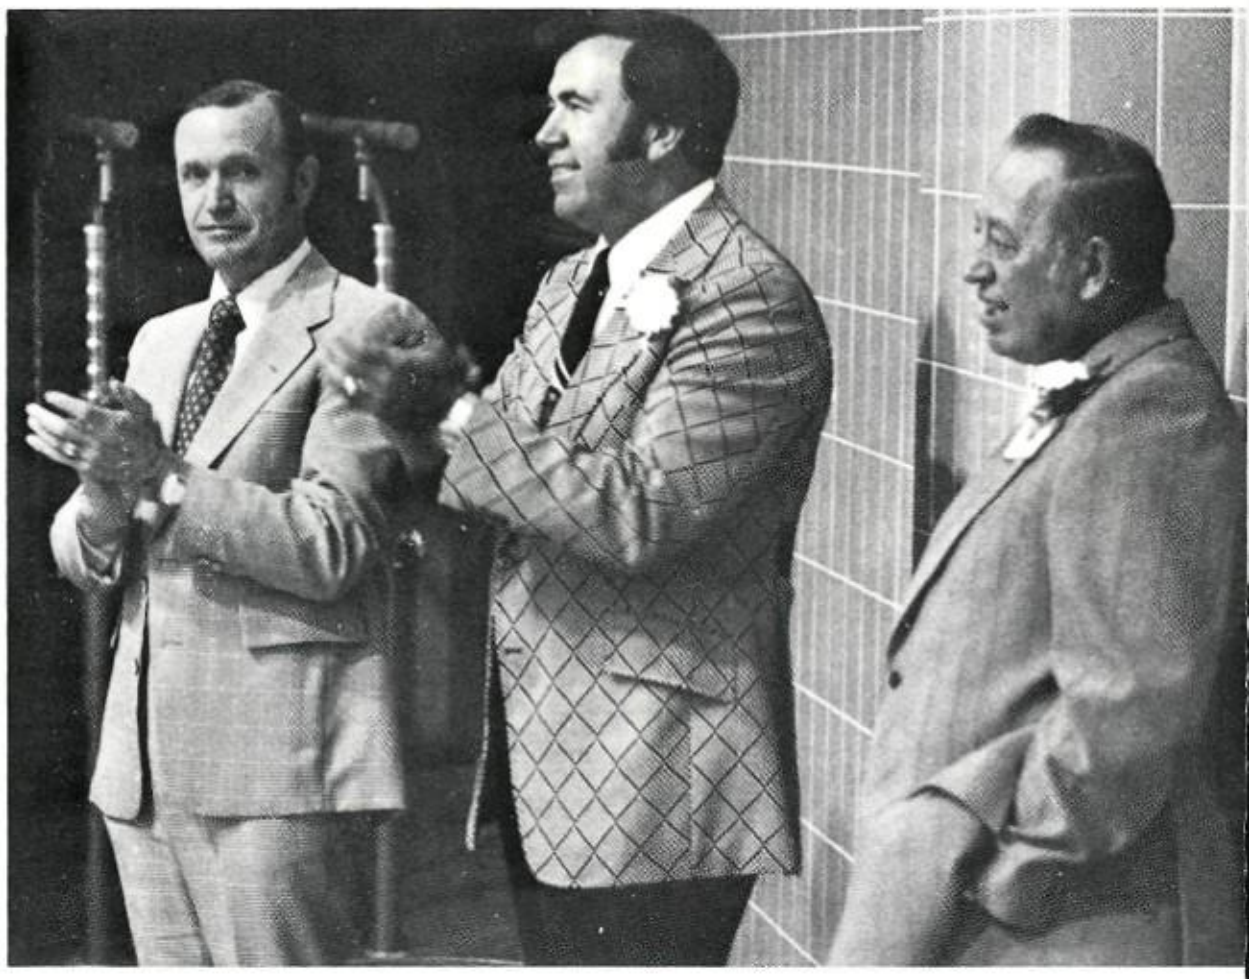
Mr. Curry wins respect of 2300 Vikings

When a school becomes as large as Nimitz has, the school functions and athletic events increase. At each one of these events one can always be assured that Mr. Curry, principal, will be standing with arms folded in the midst of the crowd. His friendliness and concern for the students and faculty has earned him respect in his short time here at Nimitz. His thoughtfulness has been demonstrated all year in many ways. He sends greetings to each student on his birthday, and he always makes a special effort to congratulate students on their scholastic achievements. Mr. Curry has succeeded in uniting the students of Nimitz High.





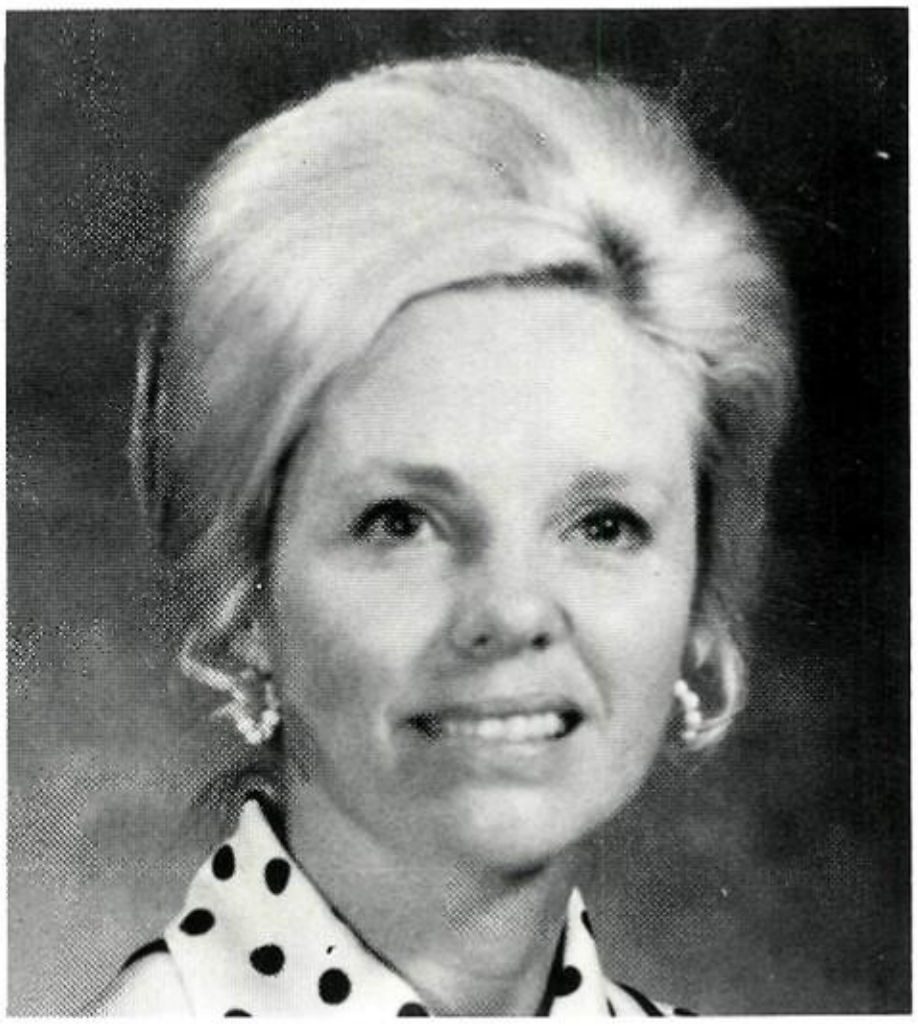


Mr. Curry welcomes Mr. Kelley, school board member, and ex-principal Mr. Tom Chandler to the Homecoming pep rally.

Vice principals schedule activities, classes

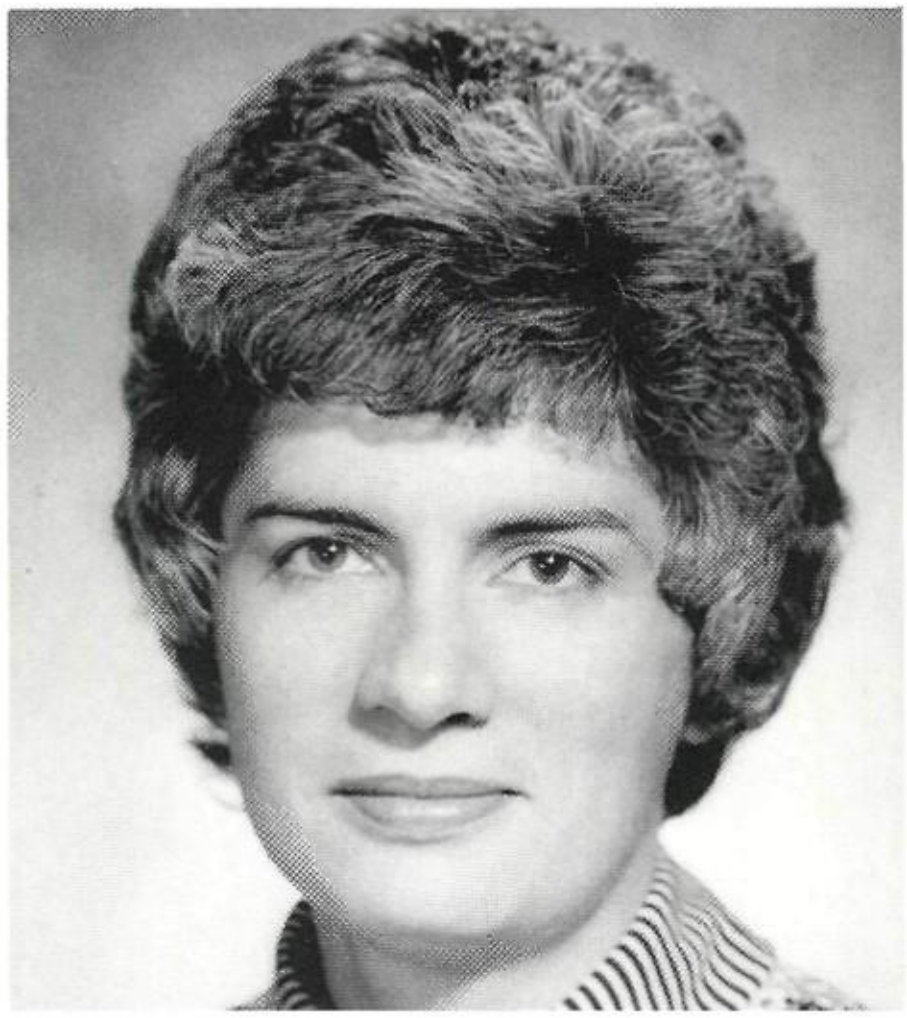
Mr. Jerry Winn begins early in the spring scheduling classes for Nimitz students for the next year. His other responsibilities include twelth grade discipline, attendance, teacher duty rosters, records and reports. Every day Mr. Winn takes time out from his busy schedule to make announcements informing students about school activities.

Although Mrs. Hinkle left at mid-term, she successfully coordinated most of the clubs and organizations' activities for the year. Mrs. Hinkle had been at Nimitz since its beginning, nine years ago. Her concern for the students at Nimitz was evident in her participation in all school activities. She will be missed and remembered.

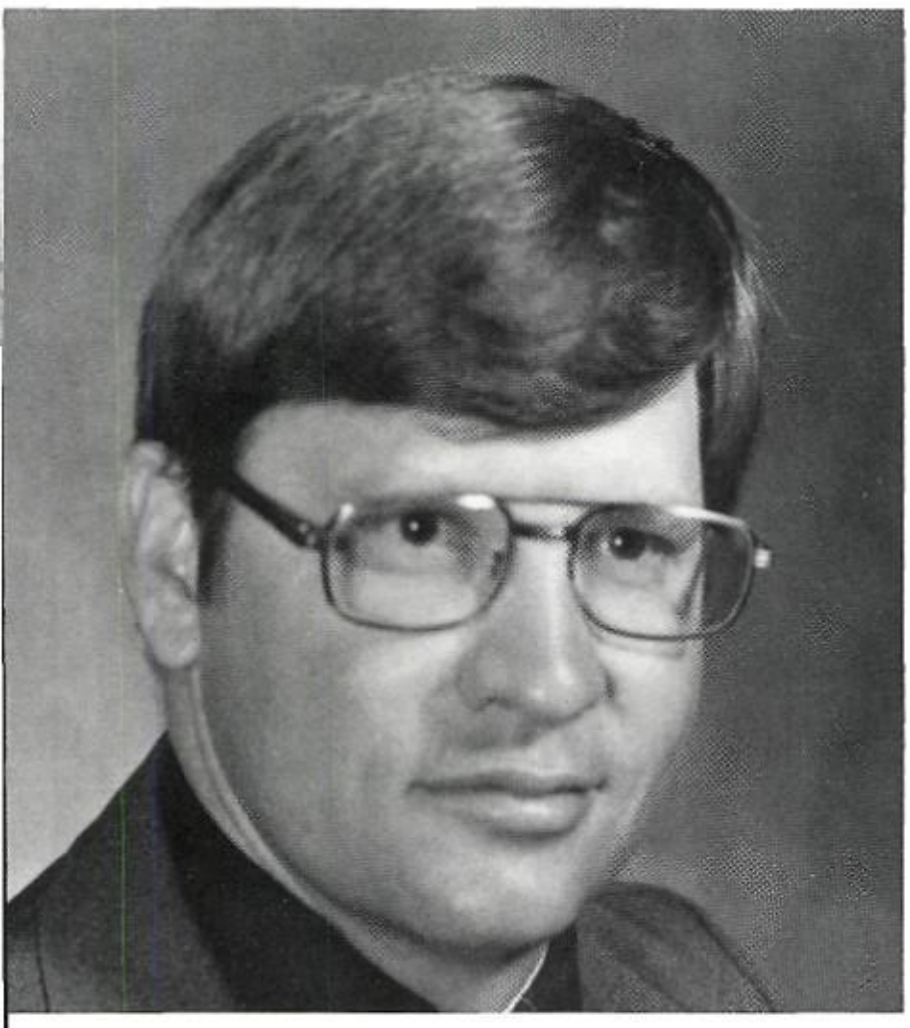


New vice-principals accept responsibilities

Mr. J. C. Sheperd, a new vice principal helps students and teachers with transportation to and from school and extra curricular activities. He provides substitute teachers for regular teachers who are absent. His other responsiblities include student lockers, keys, and new teacher orientation. Before he came to Nimitz, he was superintendent in Hitchcock, Texas.



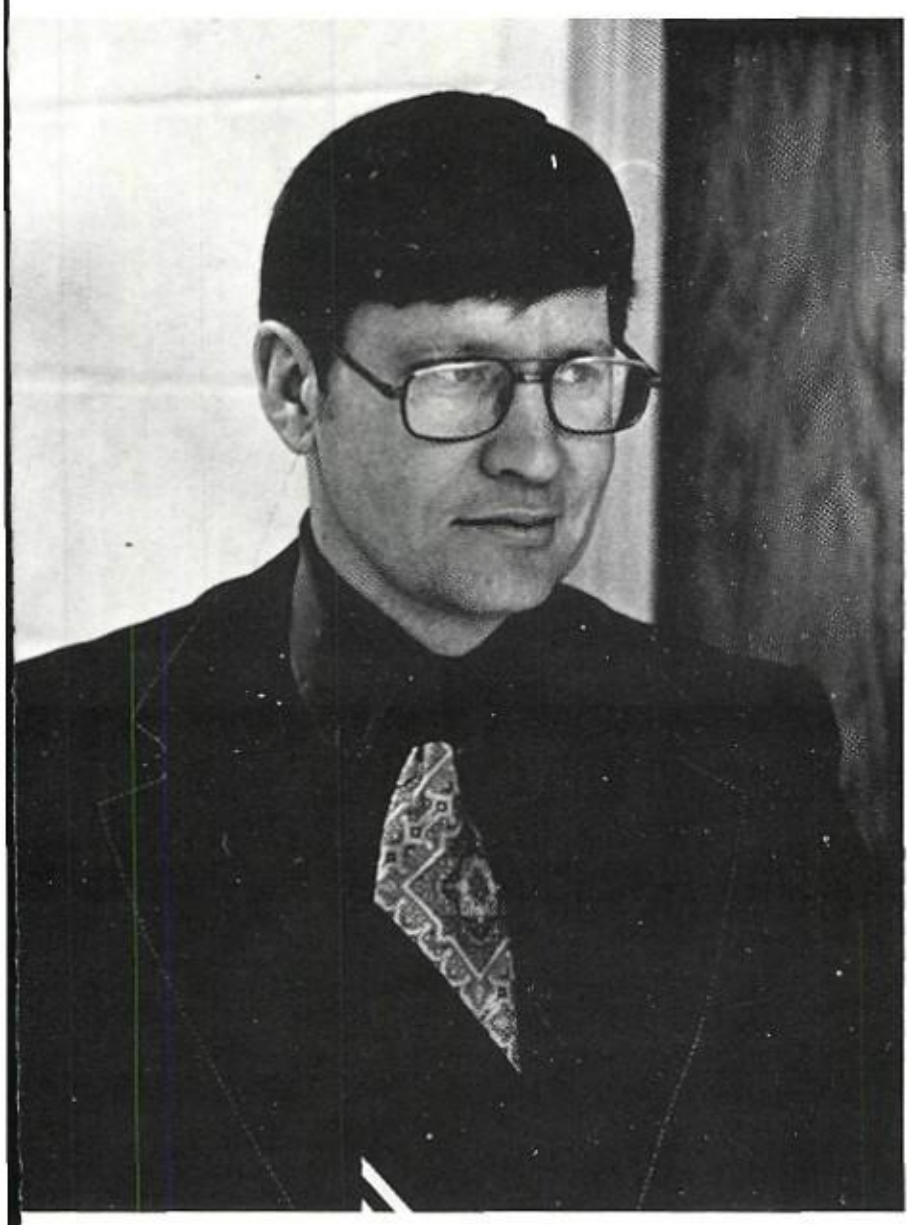
Mrs. Virginia Lester came to Nimitz from the administration building where she was a curriculum coordinator. She replaced Mrs. Carla Hinkle, who moved to Chicago.



Administrator prepares budgets and U.I.L. events

Mr. Marshall McMillan helps teachers prepare budgets for supplies for the upcoming year. He is responsible for tenth grade discipline, textbooks and University Interscholastic League. Each fall Mr. McMillan coordinates activities for the Nimitz booster club.

Mrs. Virginia Lester came to Nimitz at mid-term to replace Mrs. Hinkle. She came from the administration building where she was a coordinator. Mrs. Lester has blended well with the students at Nimitz. She was responsible for the re-organization of Skjonnhet, graduation and the awards assembly.



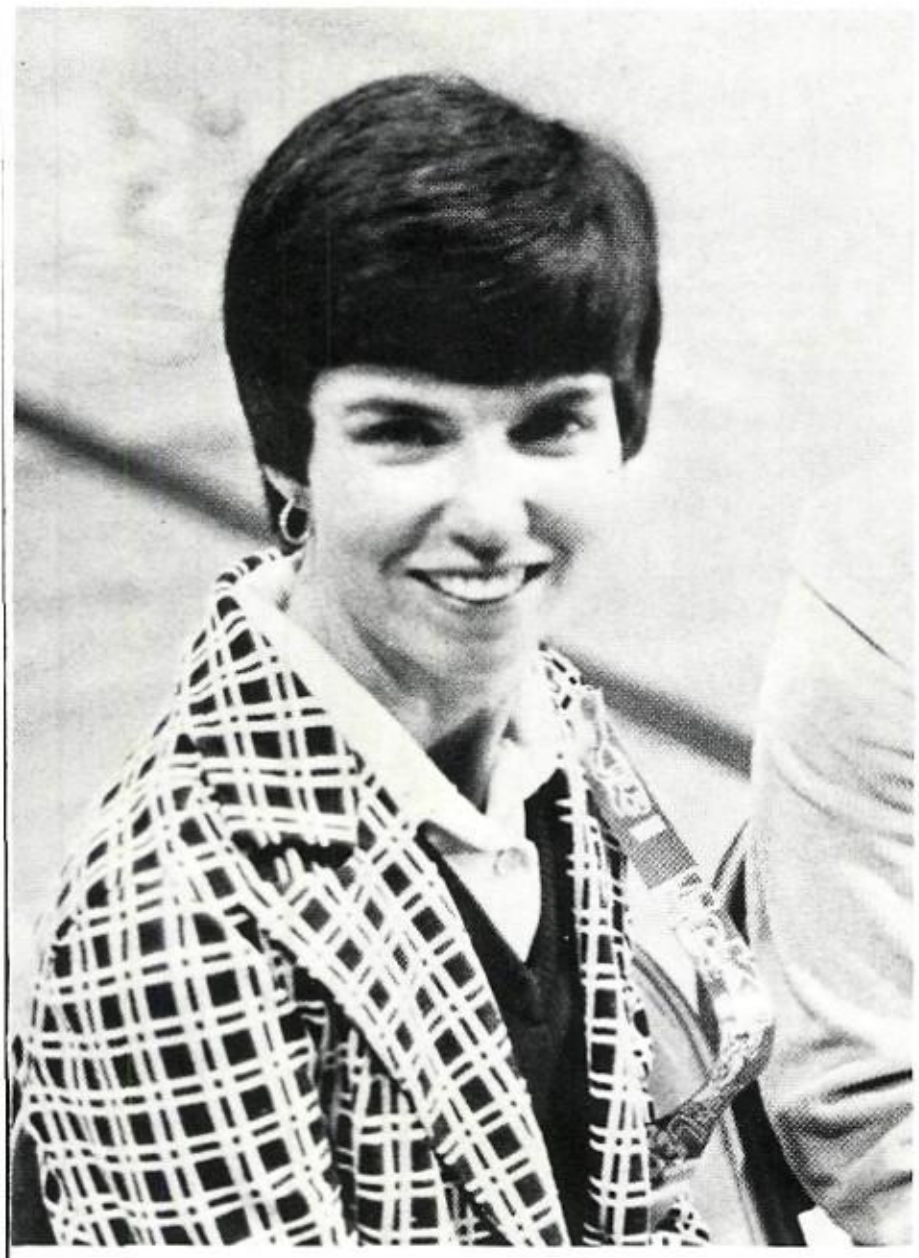
Mrs. Lester (below) works on the activity calendar which is issued to teachers weekly.

The 1976-77 school year carried special memories for Mrs. Athlynn Butler. The students that she welcomed as freshmen would become graduates. Serving as the senior counselor, Mrs. Butler was always busy with career information. She spent many hours preparing Nimitz seniors for college.

Mrs. Butler (top right and above) sits ready to counsel any senior student who needs advice.

Every day during lunch more than twenty students fill the small office of Mrs. Linda Staggs. They're not coming in for schedule changes but they're seeking advice from Mrs. Staggs as well as each other. She has been at Nimitz for the past six years. The students have always enjoyed their friendly conversations with Mrs. Staggs.

Mrs. Staggs (above) stands ready to welcome anyone into her office.



Counselors welcome new students

Mrs. Brown, the ninth grade counselor, welcomes the freshmen with a friendly smile. She helped the new students during their first year at Nimitz, counseling them in problems or just with an enjoyable conversation. One of her main duties was organizing the freshman orientation.

During the 1976-1977 school year Mrs. Melba Woodson counseled juniors and helped to select the appropriate courses for their career plans. She has spent many hours helping them solve personal problems. Some of her responsibilities are schedule changes and keeping records of the junior students.

Mrs. Brown (top left) smiles as she relaxes at a freshman class meeting.

Mrs. Woodson (bottom left and above) is interested in her juniors as she tries to help them.
